## Terms and Conditions

Applicant agrees to pay for the services at the rate, at the time, and in the manner required by the City of Buhl City Code and rate resolutions of City Council. The City has the right to impose and enforce the penalties provided in such code for non-payment and untimely payment, and to change the rate at any time. The City will make reasonable efforts to notify Applicant of rate changes through legal publication in the Buhl Herald but the absence of such notice shall not waive the City's right to collect the new rates. The City may at its option install such meters, meter reading devices, and other devices it deems necessary to control and measure the quantity of water supplied. Supply of water, sewer, and garbage services is subject to the provisions of the City of Buhl City Code. The City is neither responsible nor liable to the Applicant for any damage that may be caused to Applicant or Applicant(s) property by any failure of the water system that occurs in the building(s) and the City water shut-off valve. The City is not liable to the Applicant for the consequences, if any, of reductions or interruptions in water supply caused by construction, power failure, fire suppression, repairs, shut-off by reason of non-payment of rates, or otherwise, nor shall any of the same reduce or eliminate Applicant's obligation to pay the rates.

Applicant understands that only a representative of the City is allowed to turn on or off any City utility service. The Applicant further agrees to take no action to obstruct, cover meters or shut-off devices, or otherwise prevent the City's authorized representative from making records, readings, and inspections of the location, condition, and sufficiency of pipes, fittings, valves, cocks, fixtures, and appliances. Applicant agrees to grant free access to the City's authorized representative during reasonable hours to carry out such official duties necessary for the proper operation and maintenance of water and sewer systems.

In the instance where the property is a rental unit, the Landlord understands that it is the Property Owner's responsibility to pay the bond fees of \$70.85. The Tenant is responsible for the base user fee of \$67.57 plus any additional water use, late fees, or other applicable fees. In the event that the account becomes two months past due on either the bond (Owner) or user (Tenant) fees, the City of Buhl will shut off the water services. All disconnection fees apply and services will be restored only after the bill is paid in full.

Utility bills become delinquent on the 21st of each month. Penalties and service charges are applied to utility bills that are delinquent. Pursuant to the City of Buhl Resolution No. 359, a late fee penalty of \$15.00 or 10% of the outstanding bill, whichever is greater, will be assessed on the 21st day of the month when the balance has not been paid in full prior to that date.

Applicant represents that all information supplied herein is true and correct. Applicant understands that s(he) may be guilty of identity theft or obtaining property under false pretense for using another person's name as Owner or Renter or for signing another person's signature.

Applicant and Owner agree that:

- Idaho law governs the interpretation of this agreement.
- The District Court of the State of Idaho, in and for Twin Falls County shall have exclusive jurisdiction over any litigation arising under this contract
- As a condition of receiving such service, to waive any right to appear in District Court to settle a dispute arising from such service.
