We need to make sure that we comply with the law with regards to employee privacy issues. If a member of City Council would like to discuss any issues pertaining to complaints, discipline, etc. of a city employee, those will first need to be discussed with the mayor, who is the chief city administrator per Idaho Code 50-602. After review of the complaint, discipline, etc. if it needs to go before City Council it will be listed under an executive session on the upcoming meeting agenda.
