COMMERCIAL

Commercial Fees shall be based on the projected project value and will include all commercial projects.

Does not require Fire Sprinkler or Fire Alarm System:

A \$150.00 fee will be assessed on all projects. In addition to the \$150.00 fee, a factor of .0003 will be multiplied by the project value to determine the total fee amount.
Maximum fee = \$525.00

Requires Fire Sprinkler or Fire Alarm System:

A \$250.00 fee will be assessed on all projects. In addition to the \$250.00 fee, a factor of .0005 will be multiplied by the project value to determine the total fee amount.
Maximum fee = \$1,500.00

A building with a fire sprinkler system will also require a fire alarm system.

Outbuildings (sheds, pole barns, etc.)

A fee of \$75.00 will be assessed regardless of square footage. Residential Building fees shall apply if living quarters type upgrades to these types of structures are installed.

ALL FEES MUST BE PAID BY CASH OR CHECK PRIOR TO RECEIVING PLAN REVIEW APPROVAL LETTER
