Under Old Business:

Under New Business: Juanita Thurman discussed the possibilities of a new subdivision located on 1.9 acres on Milner. There could be as many as 7 lots total. Each lot would have individual utilities. Juanita is assessing the Commission's feelings before she invests any resources in developing a plat for the property. The Board did not indicate any negatives about the proposal but could not make a firm recommendation or decision because of the preliminary nature of the proposal.

Citizens' Concerns: Tony Salisbury and Leonard Owens representing Calvary Assembly of God located at 110 Fruitland Ave N. had questions about a potential variance request to allow the church to add onto the fellowship hall on the south side of the building facing Poplar. The Commission asked that a survey of the property be done to verify the correct Right-of-Way location and better define the request.

Commission Concerns: None

Jeanne moved to adjourn the meeting and Maggie seconded. The motion was approved unanimously.

The meeting was adjourned @ 11:08 AM.
